

SPENDING TIME WITH GOD

BY GERITA NAGY

God wants to have an intimate, personal relationship with each of us!

Spending time with Him, acknowledging Him in all of our ways, is the key to a abundant life, filled with His righteousness, peace and joy!

"In all your ways submit to him, and he will make your paths straight."

Proverbs 3:6 (NIV)

"For the kingdom of God is not a matter of eating and drinking, but of righteousness, peace and joy in the Holy Spirit."

Romans 14:17 (NIV)

I love spending time with God, praying and studying His Word!

It's the first thing I do every day. Having God's help and presence in our lives is vital. He is the Author of everything that is good. Without Him, we can do nothing of true value.

In order to grow our faith, we need to make time for God.

We need to give Him our first fruits every day.

We all know that in every relationship, the only way to really get to know someone, is to spend time with them. If we desire a relationship with Christ, we have to make Him a priority.

Making time for God is not always easy and Satan definitely wants to keep you so busy and distracted that you find it difficult to set aside time for prayer and study each day.

I challenge you today, try to wake up only 15 minutes or 30 minutes earlier in the morning to spend time with Him! You will in time, see the difference in your day in your home and in the workplace!

Spending time with God is a prerequisite for having a great life and fulfilling your purpose!
